# Inspiration & Concept

inspiration  
word:

dialogue

Inspired by both the discourse of daily life and the famous quotes that transcend time, the “End Quote” chair is truly a conversation piece! Right at home in a contemporary, pop-art-inspired space, this chair makes a bold, graphic statement. The striking “End Quote” chair is crafted with large upholstered quotes and a clear molded acrylic seat. Perfect with its sister chair, the “Quote Chair,” these fun chairs allow you to be truly enveloped by and involved in the dialogue of the moment.
